THE 30-SECOND PITCH

"YOU'RE 30 SECONDS TO MAKE A GREAT IMPRESSION!"

Increase the awareness of you and your business. It's fun and easy! Bring in a raffle prize (at least \$10 value please) to the Nordonia Chamber monthly luncheon meeting. You'll then have the spotlight for exactly 30 seconds to give a quick-hitting company description about your business. No more, no less!

Not comfortable speaking to the large group, no problem. Just bring an associate to speak for your organization. The Nordonia Hills Chamber of Commerce is always open to additional friendly people at our meetings.

For more questions or to sign up for your 30-second pitch, call Cindi Seese, Third Federal Savings & Loan, 330-963-3130, or cindi.seese@thirdfederal.com.

TABLE-TOP EXPO

With many members in attendance at the Chamber monthly meetings, it is difficult to get your business card or brochure in everyone's hands. The Table-Top Expo is our solution! It is a table dedicated solely to displaying member business cards, brochures, and any other promotional information you would like to bring to the meeting with you.

Just drop your information on the table on your way in and your business card, brochure, or current promotional piece will be available for everyone to pick up throughout the meeting. This way your information can get to everyone while you may not be able to! You are welcome to leave any information leftover after the meeting for the Chamber staff to place in the display racks located in the Chamber office.
